ENTRY TIPS

Begin with favorable odds.

Search for the perfect category to enter. If you plan on entering more than one, make sure you curate your entries with intention.

Tell a compelling story.

Chronicle your work with a classic beginning-middle-end framework. Keep it relevant with a problem-solution-results approach.

Tie your results back to your campaign objectives. It takes a village.

Tell us what problems inspired your work, discuss how it solved them and provide KPIs for support. Remember, “the why” is just as important as “the what.”

Keep your copy short and sweet.

Award winners share three distinctive traits: they’re direct, discerning, and descriptive. Judges don’t need a copy-heavy description to get the full picture.

Paint a complete picture.

Don’t just write about your work—judges want the full experience. Include supporting materials like videos, photos, and campaign art to strengthen your story.

Get your team excited about your company’s submission by planning for edits together. A marketer’s eye and a copywriter’s wit might be exactly what you need to punch up your entry.
